The Sixth Form at Caterham

Introduction

As a student next For our preparation of Caterham as a school
brotherhood and as a role model and next generation

Next For a selection of our school are raised as preparation or
involved in two areas are to be the most important that you will
experience. During the next few weeks you will have a chance to
experience the best of our own experiences. Next For students will
understand and understand the importance of the school's vision
to achieve the highest standards in all areas of the school. We
continue to provide for our students the opportunity to achieve
the highest standards in all areas of the school.

Sixth Form Entry Criteria

It is an important part of our school's vision to ensure that our
new entrants are of a high standard. We require that pupils are
able to achieve a minimum of 44 points from their best six GCSEs
(excluding native language GCSEs) in order to qualify for the Sixth Form.
In addition, individual A Level subjects have their own GCSE qualification
requirements which pupils must also achieve. We work with our
parents to ensure that our new entrants are of a high standard.

Our new entrants must also achieve a minimum of 44 points from their
best six GCSEs (excluding native language GCSEs) in order to qualify
for the Sixth Form. In addition, individual A Level subjects have their
own GCSE qualification requirements which pupils must also achieve.
We work with our parents to ensure that our new entrants are of a
high standard.

The Sixth Form Curriculum

The Sixth Form curriculum is designed to provide our students with
the opportunity to continue their academic and personal development.
We offer a wide range of subjects and activities to suit all interests.
Our curriculum is designed to provide our students with the
opportunity to continue their academic and personal development.

AS Level:

All our AS students will work on a 4,000-hour structured project. Assessment is through a written examination (4,000 hours), a practical examination (4,000 hours) and the NEA, a substantial 'Design and Make' project (4,000 hours), of a total of 12,000 hours.

Drama and Theatre

ALV

Exa Board A A

Entrance requirements

Students require previous experience of Drama GCSE with a grade 7 or above for a parallel experience of work in the area. Students must have an understanding of how to analyse text in prose or drama as well as be able to apply their knowledge to practical work in drama. Students must also have an understanding of the history of drama and theatre. Students must also have an understanding of the history of drama and theatre. Students must also have an understanding of the history of drama and theatre.

Career opportunities:

Drama and theatre work can be a valuable subject for students to study as English.

Economics

ALV

Exa Board A A

Entrance requirements

would expect students to have a minimum GCSE English Language or Functional Skills Level 1 or 2 in English and a minimum GCSE Mathematics grade 7.

Career opportunities

Economics is a popular subject for university students and offers a wide range of career opportunities. Graduates can work in a variety of sectors including finance, marketing, research, and public administration. Many graduates also go on to further study in areas such as law, medicine, and business.

English Literature

ALV

Exa Board CA

If you want to spend two years exploring some of the great stories produced by a past writer over the last 200 years then this is the course for you. This is a two-year course, but you can take it as a one-year course, but you will have to take two years of a language option at A level.

Entrance requirements

You need to have a 7 in both English Language and English Literature at GCSE level.

Career opportunities

English Literature opens up a wide range of opportunities for you. You can go on to study for a degree in English Literature, History, Creative Writing, Drama, Journalism, Law, Business, Marketing, Economics, Mathematics, Computing, and many other subjects. English Literature is also a valuable skill in the workplace, as it helps you to understand people and their motivations. You can also use your skills in English Literature to help you in your personal life, as it can help you to understand the world around you and to find meaning in the things you do.

An English Literature degree is a valuable asset to have, as it can help you to understand the world around you and to find meaning in the things you do. It can also help you to develop your critical thinking skills, which are essential in many careers. English Literature is also a great subject to study if you are interested in the arts, as it can help you to understand the world of literature and the people who created it.

Structure of course:

N.B. Text choices for the coursework element will vary from teacher to teacher.

Lower Sixth Content	Upper Sixth Content
<ul style="list-style-type: none"> Coursework: <i>Frankenstein</i> Dissection or <i>Dracula</i> and <i>Booby's Brand</i> or <i>Frankenstein</i> and <i>Frankenstein</i> Comparison Coursework: <i>Anna Karenina</i> Comparison paper: <i>Frankenstein</i> and <i>Frankenstein</i> or <i>Frankenstein</i> and <i>Frankenstein</i> 	<ul style="list-style-type: none"> Comparison of <i>Paradise Lost</i> and <i>Frankenstein</i> or <i>Frankenstein</i> and <i>Frankenstein</i> Comparison coursework: text of pupil's choice or <i>Frankenstein</i> and <i>Frankenstein</i> Dissection: <i>Frankenstein</i> and <i>Frankenstein</i> or <i>Frankenstein</i> and <i>Frankenstein</i>

Assessment:

Students will be assessed on their understanding of the texts, their ability to analyse and evaluate the texts, and their ability to write clearly and effectively. The assessment will be based on a combination of written and oral work.

All externally assessed components are 'closed book'.

Spanish

ALV

Exa Board A A

Entrance requirements

Can take for ALV Spanish at least a 7 at GCSE

Career opportunities

Spanish is a global language and is spoken by over 400 million people worldwide. You will probably be aware that most Central and South American countries also speak Spanish. You are not always aware that there are around 18 million Spanish speakers in the UK – and that in parts of Africa and the Caribbean. It is a language that opens up a wide range of opportunities in the global economy. It is a language that is in demand in many sectors, such as Banking, Accounting, Law, Insurance, Publishing and the Creative industries. It is a language that is essential for those who want to work in a global environment.

Structure of course:

Start with pre-AS Spanish at GCSE and then AS Spanish in the first year.

IELTS / EAL

International students

International students studying in the UK are required to take the IELTS exam to show their English language skills. The IELTS exam is a test of English language proficiency for non-native speakers who are applying for higher education or professional registration in the UK. The IELTS exam is a test of English language proficiency for non-native speakers who are applying for higher education or professional registration in the UK. The IELTS exam is a test of English language proficiency for non-native speakers who are applying for higher education or professional registration in the UK.

In addition, students have the opportunity to enroll in various courses, so as to continue to
